Aufgabe 2

It was Christmas Eve. Anna and Michael prepared everything for Santa. They put a glass of milk and a plate of cookies onto the little table in the sitting room. The stockings hung over the fireplace. The Christmas tree was decorated with lights and Christmas tree balls. They put out the fire and went to bed. At night Santa came through the chimney. He saw the cookies and the milk. Every time when he put a present under the tree or in a stocking he took a cookie and a sip of milk. Then he was tired and sat in the armchair. But the armchair broke. He took his sack, went to the fireplace and climbed up the chimney. Oops, he could not get further. He was too fat. In the morning Anna and Michael saw Santa stuck up the chimney. They pulled him out. He ran out of the door and shouted: "Merry Christmas!" And away he flew in his sleigh with the reindeer. But nobody believed Anna and Michael.

The Seasons

Winter is the first season of the year.

It's cold and frosty and snow is here.

In spring the first flowers start to grow,
the sun shines warmer and melts the snow.

In summer the children are happy and have fun,
they can swim – it's nice and hot in the sun.

Autumn brings wind and lots of rain,
the leaves change colour – it's getting cold again.

What are they called – the seasons of the year?
I think you know it – there are clever children in here!

The seasons are called winter, spring, summer, autumn.

Aufgabe 2

1.

Football is a very famous sport. Many boys and girls in Germany love to play it, too. In every team there are eleven players. You must kick a ball into a goal. The team who scores the most goals wins.

2.

Rugby is a very rough sport. You are allowed to push the other players to get the ball. The ball looks a bit like an egg. In one team there are fifteen or thirteen players.

3.

Curling was invented in Scotland. In one team are four players. You play with stones.

4.

Golf is played on greens, tees and fairways. You must try and putt the ball with a club into the hole.
