

I Hear Them

I hear them, I hear them,
I hear them on the roof,
the reindeer are coming,
I hear them on the roof.
With a jingle, jingle bell
and a clop, clop, clop,
and a clatter, clatter, clatter
on the chimney top
I hear them, I hear them,
I hear them on the roof.

I Hear Them

I hear them, I hear them,
I hear them on the roof,
the reindeer are coming,
I hear them on the roof.
With a jingle, jingle bell
and a clop, clop, clop,
and a clatter, clatter, clatter
on the chimney top
I hear them, I hear them,
I hear them on the roof.
